| We acknowledge your online request for new connection. You will be contacted shortly. | | | |

Note: Dear Applicant, You have declared in the application form that necessary clearances/certificates from competent authorities are available with you. You are requested to keep the original copy of documents ready for verification and share a copy with our engineer for acceptance at the time of field inspection

Please take either print or write the Service Order Number for future references

Safety first! Installation of ELCB is mandatory for 2kW & above connections.
